TOWN AND COUNTY BOTH DEMOCRATIC

Director of the Poor, Burgess, Town Councilmen and School Directors are Elected on Democratic Ticket Road Loan Lost.

The Democrats were victorious in Gettysburg and the county in Tuesday's election which was followed by interest in every section.

Peter P. Eisenhart was elected director of the poor with a majority of 459 over J. Price Oyler, the Republican nominee. H. J. Gulden, the Washington party candidate, ran far behind.

Harry Whitcomb lead G. R. Haverstock by about 500 votes for jury commissioner. J. H. Leas, the Washington candidate, polled a small vote. Two being elected, Mr. Whitcomb and Mr. Haverstock are the successful candidates.

In the borough John H. Raymond, Democrat, was chosen Burgess over Dr. E. H. Markley; Harry E. Bumbaugh, Democratic candidate for tax collector, carried all three wards; Milton Rimmel and Charles Spees, both Democrats, were chosen school directors; and four of the six new town councilmen are Democrats. Wallace Emmons, Republican, was elected high constable.

The new town councilmen are First Ward, C. B. Dougherty and Truman Beard; Second Ward, George E. Stock and Calvin Gilbert; Third Ward, Otis G. Baughman and Altheodore Bushman.

The newly elected borough auditors are Paul A. Martin, Maurice A. Miller and George A. Taylor.

With three districts yet to hear from the vote in Adams County on the \$50,000,000 bond issue stands For, 965; Against, 2149. News from over the State indicates that the measure is probably lost.

The returns for borough and ward offices are as follows:

NO AUTO ENGINE FOR MANY MONTHS

Present Town Council Thinks Matter should be Left to Incoming Body. Will Get Everything in Readiness for Early Action.

No final action is to be taken on the proposition to purchase a modern fire fighting apparatus for Gettysburg until the new town council has taken office in January. This was the feeling of the present council at their regular November meeting Tuesday evening which was attended by all the members, establishing a record for many months.

It was stated by members that it was scarcely fair for the body now in office to contract for so large an expenditure just at the close of their term, and to place this burden on the incoming council, and that a better plan would be for the new council to take it up for final action at their organization meeting in January.

Through a misunderstanding of several members as to the person who was to draw up a report of the joint committee of council and fire company on the plan, no such report was presented last night. At the December meeting the finding of the committee will be presented in writing, recommending the purchase of a \$7500 LaFrance automobile equipment, council to pay half the cost and the fire company to raise the other half. The company will start immediately to secure their portion so that a complete subscription list may be presented at the January meeting and no delay be experienced from that source.

The company, which will in all probability get the contract, requires from four to five months for delivery so that it is scarcely probable that Gettysburg will have its new engine much before the first of next June.

Other Matters

J. Francis Stallsmith asked council whether it would be contrary to the provisions of borough ordinance to erect a dwelling on Springs avenue of bricks, with slate roof and having the gables of shingles. He was informed that no wooden parts were permitted on the exterior of the building. Mrs. Emig contemplates the erection of the dwelling in question.

Donald P. McPherson, representing Crawford Warren, appeared before council to state that the entrance on the east side of Howard street to the alley in the rear of Middle street and Springs avenue was two feet too far to the south and encroached upon the pavement of Mr. Warren. The highway committee was notified to remedy same.

The Board of Health reported its reorganization with H. B. Bender as president and Dr. Henry Stewart secretary. William Wavell continues as health officer.

A communication was received from Martin Winter calling attention to a dangerous condition on Hanover street, east of Fourth street. It was referred to the highway committee for action.

S. Miles Miller reported that it was the desire to establish an entrance to the federal building property on High Street below the pavement grade—making a depressed crossing similar to those at the alley near the top of Baltimore Hill. This is desired, it is said, in order to drain the driveway from the rear of the new post office lot. Action was deferred until the Government engineer submits a draft of the proposed change.

The highway committee recommended a plan to abate the water nuisance at the property of William T. Ziegler east of North Washington street and the committee's suggestions were approved.

TWIN DIES

Twin Pigeon Dies while its Mate Lives on.

One of the pair of "Siamese" pigeons owned by Paul Bunty, of Mount Rock, has died. The birds were looked upon with great interest, having been grown together at the body just under the wings. The birds were connected in such way that their heads were in opposite directions and had both lived, would never have been able to walk or fly. As soon as Mr. Bunty found the one pigeon had died he severed the bodies and the other bird gives evidence of surviving.

WILL MAKE TOUR OF THE COUNTY

Sunday School Workers Decide on a Week's Tour of the County Early in December. State Workers to be Present for Event.

The officers of the Adams County Sabbath School Association met Tuesday afternoon at the Pitzer House. Among other business a tour of the county was planned for the week of December 1st to 6th. Mr. W. D. Reel, of the State Force, will be in the county the entire week and assist in the meetings. The schedule of the meetings will be published later, as soon as all plans are completed. There will be a meeting each afternoon and evening of the week.

Plans were also formulated for each of the six districts to reach the standard of organization required by the state to bring the county up to the new standard which Adams County is pledged to reach by October, 1914.

It was decided at this meeting to have the Sunday School year in the county and districts begin and end October 1st, and the Year Book, instead of being ready for distribution at the annual county convention will be published as October 1st and will contain full statistics and reports, names of all officers, etc., up to that time.

FOR STORING APPLES

Constructed of Concrete on the Fruit Farm of H. C. Brinton.

H. C. Brinton, apple grower of Berwick township, has erected a concrete cold storage cellar for apples and all kinds of fruit. It is cooled by means of an underground ventilating system, with facilities to chill with ice, if necessary.

The cellar is divided into two parts. The front part is the smaller, which is used for chilling the fruit when brought from the orchard, before placing it in the storage room in the rear. Also, later in the season it may be used for ripening the fruit, as the temperature can be readily controlled by the underground ventilating system. The storage capacity of the building is about 2,200 bushels.

By means of the storage cellar, Mr. Brinton expects to be able to store his apples in first-class condition until late Spring, if need be.

This season he will have a crop of about 1,000 bushels of apples, nearly all of which are now in storage.

NURSES CLAIM A WHITEWASH

Nurses at the York Hospital Say that Investigation of Recent Trouble there was a One-Sided Affair. Sixty Five Patients.

That the investigation into the charges of irregularities at the York Hospital conducted by the medical staff was a whitewash for the hospital authorities is the opinion of many of the York's physicians, including Dr. J. H. Bennett. Dr. Bennett is secretary of the medical staff, which he says went through the formality of an investigation, but only heard one side of the case.

The medical staff relied entirely upon the truthfulness of the statements made by the superintendent, Mary A. Smith, and did not give the striking nurses an opportunity to present their grievances.

These nurses declare that if they were given a chance they would make some startling disclosures into conditions as they exist at the York institution.

It is said that their testimony will be taken by a committee appointed by the York's Woman's Club to investigate certain charges at the institution.

The monthly meeting of the board of directors of the York hospital was held Monday afternoon at 1:30 o'clock at the hospital, every member of the board being present. The "walk-out" of 15 nurses last Thursday and the causes leading to it, which it had been expected would be one of the subjects of discussion, it was stated, was not touched upon. Hon. A. B. Farquhar, president, presided over the meeting.

The directors made an inspection of the hospital building, which they found in excellent condition. There are now 65 patients in the private and public wards of the institution. The board adjourned to meet at the call of the president, which will likely be some time next week.

FIELDER ELECTED IN NEW JERSEY

Democrat Chosen Governor by 30,000 Plurality.

WILL CONTROL LEGISLATURE

The Result Is Construed as a Great Victory For President Wilson's Policies.

Trenton, N. J., Nov. 5.—The returns from New Jersey indicate that Fielder will have a plurality of 30,000 and the legislature will be Democratic.

This will properly be construed as a great victory for President Wilson and President Wilson's policies.

Fielder carried Hudson county by 20,000, with Stokes, the Republican candidate, running second, and Colby, the Progressive, far behind.

Fielder carried Monmouth county by 200; Hunterdon by 500; Union by 300; Cumberland by 200.

Stokes carried Passaic by 10,000 over Fielder. Stokes also carried Atlantic county. Cumberland county went Democratic for the first time in many years.

Next to the contest for governor the hardest fight was made in the state for control of the legislature which will meet next January. In the last session for the first time in many years, with the aid of Progressives at the polls, the Democrats had a majority in each house.

An entire house of assembly with sixty members, as well as eight senators, was elected. Thirteen senators hold over. To control the senate it is necessary for the Republicans to elect five, or Democratic success in three counties will give that party a majority of one. It would have been easy for the Republicans to recapture the senate if Progressive candidates had not appeared in every one of the eight counties to split the normal Republican vote.

In Atlantic county, where Senator Walter E. Edge, Republican, was re-elected by a large majority over Joseph L. Shaner, Democrat, and in Hudson, Assemblyman Charles M. Egan, Democrat, had a walkover as the successor in the senate of Mr. Fielder.

PRISONERS SHOOT UP JAIL

Break Into Keeper's Office, Get Gun and Shoot Wall Full of Holes.

Morrisstown, N. J., Nov. 5.—Two drunken prisoners with a riot gun and 1000 rounds of ammunition held high carnival in the Morris county jail here.

They terrorized the other prisoners, riddled the keeper's office with bullets and failed in their plot for a wholesale jail delivery only because they drank too much liquor after escaping from their cells.

The two prisoners, Eugene Sampson and John Burns, were placed in the hospital ward with several other prisoners, charged, like themselves, with minor offenses. Sampson and Burns picked the lock to a door which leads into the keeper's office. Entering the office they broke open a desk and got a bottle of liquor that had been taken from a prisoner a few hours before. This they drank.

Then they broke into a store room and got the riot gun and ammunition. On a shelf nearby lay other riot guns, but these the prisoners did not touch.

Returning to the hospital ward, they closed the iron door and began firing through it. As each shell contained a number of bullets, the keeper's office was riddled.

At daylight police and detectives entered the jail. They found the inmates in a state of terror. Burns and Sampson were asleep in a corner.

WOMAN FOUND MURDERED

Body Is Taken From Clump of Bushes In Outskirts of Pottsville.

Pottsville, Pa., Nov. 5.—With her head and chest crushed in as though beaten with heavy stones, a woman believed to be Mrs. Mary Louisa, of St. Clair, near here, was found dead in a clump of bushes just off the public road on the outskirts of Pottsville.

Mrs. Louisa disappeared from her home about two weeks ago and her twelve-year-old daughter created excitement at the time when she reported to the police that her father had thrown her mother down a mine breach and killed her. The mine breach was searched in vain.

A week ago the husband, Michael Louisa, disappeared from home, leaving four small children alone. They are now being cared for by the county. The police are now searching for the husband, as the description of the missing woman tallies with that of the murdered woman. She had been dead about two weeks.

Progressive Wins at Johnstown.

Johnstown, N. Y., Nov. 5.—Johnstown elected a Progressive mayor, following a spirited four-cornered fight. Judge Clarence W. Smith, Progressive, had 588 votes; William H. Coughlin, Rep., 577; John T. Morrison, Dem., 569, and Frank Hester, Socialist, 502.

Brister Elected at Auburn.

Auburn, N. Y., Nov. 5.—Charles W. Brister, Republican and Progressive, was elected mayor of Auburn by 235 over the present mayor, Thomas H. O'Neill.

SULZER ELECTED TO NEW YORK ASSEMBLY

Deposed Governor Says He Has Been Vindicated.

New York, Nov. 5.—William Sulzer, deposed governor, who enlisted in the mayoralty campaign to fight McCall and ran for assemblyman in the Sixth New York district, has been elected by a plurality of 2000.

Mr. Sulzer made the following statement:

"My success is gratifying. Sometimes the victim becomes the victor. All of the money Tammany sent into this district, all the thugs, guerrillas and repeaters sent to terrorize the voters, were not able to accomplish my defeat. I won because the people had faith in me.

"Mr. Murphy condemned me and ordered his high court of infamy to remove me from the governorship because I refused to obey his orders; because I refused to sign his legislation; because I refused to be dishonest; because I refused to protect the grafters, and because I refused to be a party to the further looting of the state. No one familiar with the facts will doubt this assertion.

"From Mr. Murphy's high court of infamy I appealed to the higher court of public opinion.

"My vindication for having been true to my oath of office and for refusing to betray the people of the state is complete. I am content to let the matter rest on the verdict of the polls and the impartial opinion of the future historians.

"In stealing my office the 'chief' went too far, and the voters have administered to him the most stinging rebuke of which they were capable in the theft of the governorship. Murphy decreed his own destruction."

MASS. DEMOCRATIC

Entire State Ticket, Headed by Walsh For Governor, Elected.

Boston, Nov. 5.—The Democratic ticket won a sweeping victory in Massachusetts, the entire state ticket being elected.

Walsh, the Democratic candidate for governor, has a plurality of 45,000; Bird, the Progressive candidate, ran second, and Gardner, the Republican third.

Governor Foss, running independently and who said he would be swept into office again by an avalanche of votes, misfigured. He got caught under the avalanche and his friends will have a long job in digging him out.

NO OPPOSITION IN VIRGINIA

Henry C. Stuart Elected Governor by the Democrats.

Richmond, Va., Nov. 5.—The returns from the south are, as usual, slow. In Virginia the entire state Democratic ticket, headed by Henry C. Stuart, for governor, was elected with no Republican opposition.

In Kentucky, as usual, the Democrats swept the state in the municipal elections.

Fusionist Carries Elmira.

Elmira, N. Y., Nov. 5.—Daniel Sheehan, Democratic mayor of this city for eight years, was defeated for re-election by Harry N. Hoffman, fusion candidate, by 300.

Syracuse Elects Progressive.

Syracuse, N. Y., Nov. 5.—Final returns for mayor are: W. L. Progressive, 9847; Mack, Rep., 9458; Dolan, Dem., 9151.

Raised 17½-Pound Radish.

Washington, N. J., Nov. 5.—A radish weighing 17½ pounds has been grown on the farm of Ira S. Pierson near here.

It is a pretty safe plan when strangers call at the farm home to keep them out of the house, and this is especially so if there are no men about.

MITCHEL WINS IN NEW YORK

Fusion Candidate For Mayor Defeats Tammany.

SULZER IS ALSO ELECTED

The Entire Fusion Ticket Was Elected—Republicans Will Control Lower House of Legislature.

New York, Nov. 5.—John Purroy Mitchel, the fighting young Democrat, who was the fusion nominee for mayor of New York, has been elected by a plurality of not far from 100,000. Whatever may be the final figures on mayor, Edward E. McCall has been badly beaten.

The rest of the fusion city ticket has been elected by about 45,000 plurality.

The Republicans and Progressives will control the board of estimate and apportionment, which makes up the city budget, and Tammany Hall will not have a look in at the spending of the money from the city treasury. This will also mean that Tammany will be frightfully shy on city patronage.

William Sulzer, found guilty of high crimes and misdemeanors only a few months after he was elected governor of New York, has been elected to the New York assembly from the Sixth assembly district.

The vote on chief judge and associate justice of the court of appeals, the highest court in New York state, is still being counted, but the upstate pluralities for the Republican candidates, Werner and Hiscock, are not so large that they cannot be overcome by the Democratic majority south of the Bronx.

The lower branch of the New York legislature is safely Republican. Two Progressives have been elected so far. Aaron J. Levy, the Democratic leader and chairman of the assembly managers, who impeached Sulzer, has been elected a municipal judge.

Returns show that not only the fusion city ticket has been elected in New York, but the entire county ticket also, with the possible exception that Maurice Connolly has been elected Democratic borough president of Queens, and Charles J. McCormick, Democratic candidate for borough president of Richmond.

MAYOR LUNN DEFEATED

The Entire Socialist Ticket Loses in Schenectady, N. Y.

Schenectady, N. Y., Nov. 5.—Mayor George R. Lunn, Socialist candidate for re-election, was defeated here by the fusion choice, J. Teller. Schoolcraft, by a plurality of 2099.

In addition to losing the executive seat, the Socialists also lost their hold in both the city council and the county board of supervisors.

The election proved to be the most exciting in the history of the city. Despite the fact that Mayor Lunn is repudiated the Socialists feel proud of the fact that they polled a total vote in the city about 1600 better than two years ago, which proves that the Socialist vote remained intact and that only the fusion movement by the Democrats, Republicans and Progressives defeated them.

However, it is generally conceded that Mayor Lunn received a great number of complimentary votes by persons who were displeased with the fusion.

RESULT IN MARYLAND

Blair Lee Elected U. S. Senator and Legislature Democratic.

Baltimore, Md., Nov. 5.—In this state Blair Lee, in whose contest for the United States senate the administration in Washington took a keen interest, has been elected by something like 10,000. Returns show that he gained on Wilson's vote of last year. Parran, the Republican, polled his full party vote, but George L. Wellington, the Progressive, ran behind Roosevelt's vote of last year. Charles P. Coady, Democrat, is elected to congress from the Third Maryland district. The Democrats will control the state legislature, and the Baltimore city ticket is safely elected.

Arizona Bank Closes Its Doors.

Douglas, Ariz., Nov. 5.—The state bank examiner, J. C. Callaghan, took charge of the Arizona Bank and Trust company and the institution did not open for business. The bank has a capital of \$30,000, a surplus of \$7500 and \$110,000 deposits.

Indianapolis Elects Democrat Mayor.

Indianapolis, Nov. 5.—Tom Taggart took a firmer hold on the capital city by electing his candidate for mayor, Joe Bell. The larger part of the Democratic city ticket was also elected.

Many Dies as Strikers Burn Buildings.

Huelva, Spain, Nov. 5.—Striking miners in the Rio Tinto copper district during an outbreak of rioting set fire to mine property and a number of persons were burned to death.

Watertown Is Republican.

Watertown, N. Y., Nov. 5.—Isaac R. Breen, Rep., was elected mayor of Watertown by a plurality of 462 over Kieff, Dem.

If they ask for a drink of water let them drink it on the doorstep, and if they begin to inquire whether the men are at home it is time to pick up a club or set the dog on them.

WILSON WEDDING PLANS ANNOUNCED

400 Invitations to be Sent Out Today or Tomorrow.

Washington, Nov. 5.—The first authentic details of the wedding of Miss Jessie Woodrow Wilson, the second daughter of President and Mrs. Wilson, and Francis Bowes Sayre, of New York, were made public at the White House.

The invitations to the wedding, which will take place in the east room of the White House at 4.30 p. m. on Tuesday, Nov. 25, will be sent out today or tomorrow.

There are a good many anxious ones in official and residential society, as it became known that only 400 persons will be honored with invitations to attend this, the fourteenth White House wedding.

The ceremony will be performed by Rev. Sylvester W. Beach, the president's pastor at Princeton. The bride will be attended by her elder sister, Margaret, as maid of honor, and her younger sister, Eleanor; Miss Mary G. White, of Baltimore, a Goucher college friend of the bride; Miss Adeline Mitchell Scott, daughter of Professor William B. Scott, of Princeton, and Miss Marjorie Brown, daughter of Mrs. Wilson's cousin, Colonel E. T. Brown, of Atlanta, as bridesmaids.

Dr. Wilfred T. Grenfell, with whom Mr. Sayre worked in Labrador, will be the best man.

The invitations to the wedding are in a style of simple elegance, engraved on ivory tinted heavy paper, double fold, about 9 by 19 inches, with the United States coat of arms embossed heavily in white at the top and written in modest script.

Miss Wilson's engagement ring is a typical one, a solitary diamond weighing about one carat, of beautiful cut and color, blue white and quite deep, in a Tiffany setting of gold with sapphire band.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Lustre and Abundance.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By increasing the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Radford, Va., Man

Rundown and Nervous, Restored to Health by Vinol.

A. D. Robinson, Radford, Va., says: "I was all run down in health, had no appetite and was so nervous I could not sleep at night. Vinol was recommended to me and after using one bottle I noticed an improvement. Continuing its use I was completely restored to health. The nervousness is all gone, I can get a good night's sleep and have a hearty appetite. I can recommend Vinol to anyone who suffers as I did."

Vinol is the greatest body builder and strength creator we know of. The curative elements of the cod's liver, aided by the blood-making, strengthening properties of tonic iron contained in Vinol, restore the lacking ingredients to the blood, and the result is health, strength and vigor.

If you need building up try a bottle of Vinol with the understanding that if your money will be returned if it does not help you. People's Drug Store, Gettysburg, Pa.
P. S.—If you have Eczema try our Saxo Salve. We guarantee it.

NEXT ATTRACTION

Large Colored Musical Comedy Company Coming on Friday.

With Rogers and Creamers' "Negro Players of America" cavorting about the stage of Walter's Theatre on Friday evening theatre-goers will take advantage of the first opportunity presented them this season to see a colored musical show. There have been many changes made in the "Old Man's Boy" since the piece was seen at the Lafayette, New York, last June. A prologue lasting eight minutes has been prefixed, a piece of dramatic construction which has done much to make the plot more easy of comprehension. It has further served to make the last act more potent in its dramatic scenes as well as to strengthen the dominant idea with an atmosphere of consistency, uniformity and dramatic unity.—advertisement

Colds Are Nature's Danger Signals

It is what colds lead to that makes them dangerous. Even a slight cold or cough—if not checked in time—may have very serious consequences. Every time you cough some part of the delicate lung tissue is weakened and forms a breeding ground for the germs of consumption (Tubercle Bacilli).

This is what makes the use of such a remedy as Bear's Emulsion so particularly valuable. The usual cod liver oil emulsion upsets the stomach and throws the system out of order. But Bear's Emulsion is a natural mineral product (not animal). It nourishes and tones the system, while it soothes, heals and relieves the tissues. Very soon all coughing or hacking stops as also does expectoration.

Bear's Emulsion is a time tried successful preparation and is on sale at nearly all local drug stores—\$1.00 the bottle or six for \$5.00. Interesting and valuable literature about consumption—its prevention and treatment—together with important information regarding the treatment of colds and run down systems will be sent on request if you write to Dr. John D. Bear, Elton, Va.

Read What The New York Critics Say

New York Sun:

The first night's audience did not know that the term "Negro Players," as the advertisement says, is a phrase meant to denote an attempt to display the literature and talent of a distinctive race. So they were a little surprised when they found pathos, plot, though a meagre one, and a problem mixed up with an Apache dance, clog dances, ragtime and other things that have made the regulation minstrel show. But they took it in good part, even with enthusiasm, and that is saying more than could be said of many a Broadway show. If "The Old Man's Boy" had lain for twenty-four hours on the desk of a Long Acre Square manager it might not have appeared in the form that it did, which is not saying anything against it.

REPUBLICANS WIN IN PHILADELPHIA

Fusion Forces Defeated by at Least 25,000.

Philadelphia, Nov. 5.—The entire Republican ticket in this city was elected by pluralities of about 25,000. Samuel P. Roten, for district attorney, defeated George Wentworth Carr, the fusion candidate, by about 30,000.

The city loan providing for subways and elevated street railways was passed by a large majority.

Armstrong Mayor of Pittsburgh. Pittsburgh, Pa., Nov. 5.—After one of the most sensational mayoralty contests in the history of this city, Congressman H. C. Porter has lost out to Joseph G. Armstrong. So close are the figures that the most optimistic supporter of Armstrong will not admit that his final majority will be more than 1000.

Porter was the advocate of "home rule" and "anti-bossism" and was backed by Mayor Magee, former Senator William Flinn and the other Bul Moose leaders. Armstrong was backed by the Oliver-Penrose supporters and was regarded more or less as "the organization" candidate.

One feature of the election was the bartering of votes of the different forces. Petty office candidates suffered from this, because as the election progressed they were forgotten, and both sides did everything in their power to gain votes for either one of their mayoralty candidates.

The bond issue for \$50,000,000, to be used for county road improvement, was destined to defeat, according to early returns.

Harry W. McIntosh, secretary of the Republican county executive committee, has defeated R. H. Jackson, the Republican nominee for district attorney. McIntosh ran on the Washington and Democratic tickets, losing the Republican nomination at the primary election.

FOOTBALL STAR DIES

George Gay, Former Ursinus Captain Succumbs to Broken Neck.

Phoenixville, Pa., Nov. 5.—George Gay, former captain of Ursinus football and base ball teams, a member of the track team, assistant coach of the football eleven, and coach of the soccer team, died in the Phoenixville hospital from injuries received in the third period of the football game between the eleven representing Pottstown and the Union club, of Phoenixville, at Phoenixville, last Saturday.

Gay, at fullback for the Union Club, was tearing through the Pottstown team so often that it didn't seem possible to stop him—but while carrying the ball on a line plunge in the third period, Gay was viciously tackled from behind and thrown heavily.

Just who tackled him was not discovered, for it was noticed that just as soon as the play stopped that Gay was seriously injured. His body below the waist was paralyzed. He was taken to the Phoenixville hospital, where an examination showed that his neck was broken.

COAT AND SUIT TIME

New arrivals with the past week have given us an assortment not equaled in any past efforts. Style, Fit, Tailoring, Price and Quality are the strong points of superiority of this great gathering. It is next to impossible for us to give descriptions except in a general way.

Suits at \$12.50- as carefully made and cut as SUITS of double the price. Coats 32 and 34 inches long, cut-away fronts, Venetian Satin linings that wear like iron, Mannish All Wool Cloths, just the thing for hard wear. Stylishly made skirts. The value of these Suits as previously priced, \$18.00.

At \$15 and \$16.50- Navy Blue and Black Serges and other colors and weaves. Very stylishly made, some with blouse fronts for the slight form. Miss Jothens in various styles both as to coats and skirts. Skinnings' satin lined coats, some in large sizes. These Suits are worth \$20 and \$21.50, a saving of \$5.00.

Suits at \$20.00, \$22.50 \$25.00 to \$32.50 (Many in Black Serges in out sizes for stout forms). Very newest and most popular fabrics and colors, no two suits alike. As the makers are now very low in fabrics it is impossible to duplicate on many of these styles, so an early call while assortment is full will save disappointment.

Sport Coats- This very popular cut of coat has been very scarce in our stock until now. **Just received.**

\$5.00 All Wool, both plaid and plain cloths with plaid backs. The price is most unusual. **Check and Plaid Sport Coats at \$7.50, \$8.50, \$10.00, and \$12.00**

Special Three Quarter length coats in All Wool, Boucles, Astrakans and various Fancy Cloths at \$7.50, \$9.00 and \$10.00 of superior value.

"WOOLTEX" and other splendid makes at **\$12.50, \$15.00, to \$35.00**

"I don't get many Ralstons"

Because of their downright stubbornness in refusing to wear out, Ralstons give every man "value received."

Altho decidedly aristocratic in appearance, Ralstons are really economical shoes to wear. Their "up keep" is small. They make friends of every one except the cobblers.

Our personal guarantee of satisfaction goes with every pair. Fall styles, \$4.00 to \$6.00.
